***CIVIC***

# CONQUER.

With an aggressive new exterior and available new turbocharged engine, the redesigned Civic never plays catch-up.

Civic Sedan shown in: Lunar Silver Metallic

## LED DAYTIME RUNNING LIGHTS (DRL)

LED Daytime Running Lights (DRL) make a distinctive impression and improve your visibility to other vehicles.

## SMART ENTRY SYSTEM

Hop in the Civic without ever taking your keys out of your pocket. Smart Entry recognizes when your key is near the vehicle, and locks or unlocks the doors.

## 16-INCH ALLOY WHEELS

The Civic has a new look, accented by stunning 16-inch alloy wheels.

## TAILLIGHTS WITH INTEGRATED LED LIGHT BARS

Do you see the "C"? The new taillight design makes a strong styling statement that's uniquely Civic.

## IT'S COME A LONG WAY.

Even with a storied heritage spanning over 40 years, the Civic continues to push the boundaries of automotive engineering.

Civic Sedan shown in: Crystal Black Pearl

## AND IT JUST KEEPS GETTING BETTER.

Civic Sedan shown in: Rallye Red

### LIGHTER

A redesigned engine and chassis helps the Civic shed weight, increasing its power-to-weight ratio, handling characteristics and fuel consumption.<sup>1</sup>

### FASTER

An all-new 1.5-liter turbocharged and intercooled engine produces a thrilling 170 hp and 162 lb-ft of torque, and a new dual exhaust system helps optimize airflow (VTi-S models).

### SHARPER

The Civic is designed with a revised suspension for more lateral support while cornering, plus wider tires for increased grip and reduced braking distance.

# COMFORTING BY NATURE.

The redesigned interior features sleek new materials, innovative technology and abundant space.

Civic Sedan shown in: Ivory Leather

## REMOTE ENGINE START

Pre-heat or cool your Civic, and be ready to go by the time you reach the door (VTi-S models).

## ELECTRIC PARKING BRAKE

A new electric parking brake replaces the conventional hand lever with a simple, sleek switch.

## PUSH BUTTON START

Give life to your Civic with the touch of a button and experience a real adventure, standard on every Civic.

## STEERING WHEEL-MOUNTED CONTROLS<sup>2,3</sup>

Change the music or answer a call via Bluetooth Hands Free Link. Your hands never leave the wheel, and your eyes never leave the road.

#### DRIVER INFORMATION INTERFACE

See what song's playing, who's calling and more with a quick glance at a color screen right behind your steering wheel (VTi-S models).

#### AUDIO TOUCH SCREEN

This amazing touch panel gives you access to your audio system's controls, equalizer, USB Audio Interface<sup>4</sup> and Bluetooth Hands Free Link,<sup>3</sup> and can also be operated by steering wheel-mounted controls.

#### 60/40 SPLIT REAR SEATS<sup>5</sup>

Need more cargo space? Fold down one or both sides of the rear seatback to accommodate both gear and passengers.

Civic Sedan shown in: Aegean Blue Metallic

**AGGRESSIVE BY DESIGN.**

Civic Sedan shown in: Lunar Silver Metallic

# YOUR SAFETY IS OUR PRIORITY.

Every Civic is equipped with advanced safety features designed to help protect you and your passengers, kilometer after kilometer.

Civic Sedan shown in: Modern Steel Metallic

## MULTI-ANGLE REARVIEW CAMERA<sup>6</sup>

See more of what's behind you with the multi-angle rearview camera with dynamic guidelines, standard on every Civic.

## VEHICLE STABILITY ASSIST (VSA) WITH TRACTION CONTROL<sup>7</sup>

VSA helps you stay on course in the event of an understeer or oversteer condition by braking individual wheels and/or reducing engine power to help restore your intended course.

## SIX AIRBAGS<sup>8</sup>

Inside every Civic are front, front side and side curtain airbags. The front side airbags are designed specifically to help protect the driver's or front passenger's upper torso in the event of a side-impact collision.

## ACE BODY STRUCTURE

By distributing frontal impact energy more evenly throughout the vehicle, the Advanced Compatibility Engineering body structure helps protect passengers.

<sup>1</sup> Your fuel consumption will vary depending on how you drive and maintain your vehicle. <sup>2</sup> Drive responsibly. Some laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked. <sup>3</sup> The Hands Free Link interface is only compatible with phones equipped with Bluetooth and hands-free capability. For information on phone makes and models compatible with this system, see your Honda dealer. <sup>4</sup> The USB audio interface is used to connect directly to and control today's digital audio players and other USB devices that store music files in MP3, WMA or AAC formats. Some USB devices with security software and rights-protected digital files may not work. See your Honda dealer for further details. <sup>5</sup> Carrying too much cargo or improperly storing it can affect the handling, stability and operation of this vehicle. Follow applicable load limits and loading guidelines. <sup>6</sup> Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. <sup>7</sup> VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver. <sup>8</sup> Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in the rear seat. Always use seat belts and appropriate child seats.
